Incredible caving II

Discovering the 7th continent

default watermark

IN **SOUTH AFRICA**

A journey from the ruddy stretches of sand in the Kalahari desert to the lush tropical vegetation of the Transvaal, taking in the "mediterranean" landscapes of the Cape on the way. Destination: a dream world of extraordinary mineral treasures.
Aimed at anyone with an eye for minerals, or simply for pure beauty, this expedition into uncharted caves is a revelation.

duration 26'
